

May 4, 1973

Objections? Hearing none, so ordered.

CLERK: Mr. President, I have a request then to bracket LB 538 after--no, that's something different. I had another one here though. Mr. President, there's a request to bracket 563 for May 8.

PRESIDENT: Any objections? Hearing none, so ordered.

CLERK: That's all I have, Mr. President.

PRESIDENT: Senator Warner, for what purpose do you rise?

SENATOR WARNER: Mr. President, I just wanted to announce that those Senators who would like to pick up those computer run-outs on the various state aid bills and packets, they thought they'd have them up before we adjourned. But if you wish to pick one up over the weekend, if you go down to room 1005 they will have them for you.

PRESIDENT: Thank you. Is there any other business to come before the body? Senator Cal Carsten, for what purpose do you rise?

SENATOR CARSTEN: Mr. President, I'd like to ask Senator Warner a question.

PRESIDENT: All right, Senator Warner. Will you yield to a question from Senator Carsten, please?

SENATOR CARSTEN: Senator Warner, did I understand they're not available at the moment but they would be over the weekend, is that right?

SENATOR WARNER: If you want to go down and pick them up now they are available.

SENATOR CARSTEN: Oh, they are available now?

SENATOR WARNER: Yes, but I couldn't get them up herebefore you adjourn.

SENATOR CARSTEN: Oh, okay, thank you.

PRESIDENT: Senator Kremer, then Senator Whitney.

SENATOR KREMER: In that we passed over 149 today I'd like consent to bracket LB 49 for a date certain on Wednesday of next week.

PRESIDENT: 149 until...

SENATOR KREMER: 149. And this is with reference to some others on this day and then right behind those that already have been requested. If you understand what I mean.

PRESIDENT: All right, it looks, well the board looks okay. Are there objections to bracketing 149 for the 9th? Senator Kremer, let's make sure. You said the 9th?

SENATOR KREMER: Wednesday, would that be the 9th? I believe that's right, yes.

PRESIDENT: All right, any objections? Hearing none, so ordered. Senator Whitney, for what purpose did you wish to be recognized?

SENATOR WHITNEY: Do we have enough people here, two real non-controversial retirement bills to take up, 423 and 516?

PRESIDENT: The last vote we had, Senator Whitney, I think was 25 votes so I'm going to assume there were still 25 people.
